

IUPAC Project Progress Report

Project number: 2002-035-1-500

Project Title: Solubility data of compounds relevant to human health. Solubility of substances related to urolithiasis

Task Group Leaders: E. Königsberger and L.-C. Königsberger

Report:

1. Current status of project: ongoing
2. Progress relative to 'milestones': evaluations essentially completed, typing of compilation sheets commenced
3. Difficulties encountered (or concerns): –
4. Projected completion date (documents ready for external review): end of 2005
5. Intended outputs and the dissemination plan for this project:
Volume for Solubility Data Series
