Dear Dr. Jost,

As the chair of the National Adhering Committee of Japan to IUPAC (Kakenren), the Science Council of Japan, I recommend Professor Hitoshi Ohtaki as a candidate for a member of the Bureau of IUPAC. He has served already several years for IUPAC and he is willing to continue the work for IUPAC.

Sincerely yours,

Hideki Sakurai
Chair of the Kagaku Kenkyu Renraku Iinkai (Kakenren), SCJ
(National Adhering Committee of Japan to IUPAC)
