

Item 4: Announcement of Nominations for Union Officers and Bureau Members

ASSIGNMENT OF VOTES TO DELEGATIONS

An updated basis for the assignment of votes was approved at Guildford (Minute 1/95, 38th Council), and it became operative at Geneva in 1997. The following table lists the votes as they will be assigned at Brisbane, based on the paid 2000 national subscriptions. This table does not include Pakistan, which has not paid its National Subscription for 1999 or 2000 and Saudi Arabia, which has resigned effective 1 January 2001.
