## COCI Annual Meeting Marl, Germany 26 - 27 April 2008 Agenda

## Saturday 26 April

Overview and Governance		
9:00	1. Introductions	MCC, MJB
9:10	2. Approval of minutes of Turin meeting	МЈВ
9:20	3. The structure and functions of COCI: 2008 - 2009 Objective – review the organization of the committee and the principal deliverables for 2008 and beyond; discuss the strategic thrusts of the coming biennium	MCC
10:00	4. Budget and Finances Objective: Final report on operating and project budgets for 2006-7; Status of the operating and project budgets for 2008-9. Action Items 1, 2	МЈВ, АВА
10:20	5. Reports from Bureau and Executive Committee meetings Objective: Summarize actions and results from IUPAC leadership, and potential impact on COCI.	MCC
11:00	BREAK	
Program and Project Reports		
11:15	6. New Projects Objective: Report on status of reviews of new project ideas 11:15 10a. Nanotechnology and Human Health Action Items 3, 4, 5 11:35 10b. Biomonitoring 11:55 10c. Biofuels Action Item 6	ABA lead AS CH DAE
12:15	LUNCH	
13:15	6. New Projects, continued 13:15 10d. STP Internet Modules     Action Item 7 13:35 10e. IUPAC Industrial Chemistry Prize     Action Item 8	ABA lead ABA JF
14:00	7. Public Appreciation of Chemistry Program Objective: Status of COCI collaboration with CCE on PAC Action Item 9	DAE
14:15	<b>8a. NGO/IGO/Trade Associations Program</b> Objective: Review progress on project on Responsible Handling of Che	BW micals

14:45	8b. NGO/IGO/Trade Associations Program, continued Objective: Review of outcomes from 2007 World Chemistry Leadership Meeting; status of new project on Options for IUPAC Engagement in SAICM Implementation Action Item 10	
15:30	BREAK	
16:00	<b>9a. Division/Standing Committee Collaborations Program</b> AS Objective: Review roster of Divisional Representatives, review of latest IUPAC projects of industrial interest.	
1 1 1 1 1	<ul> <li>9b. Reports from Division Representatives to COCI AS lead Objective: Brief overviews of activities in each of the Divisions, particularly of industrial interest or where possible collaborations can be built.</li> <li>6:15 I. Physical and Biophysical Chemistry</li> <li>6:25 II. Inorganic Chemistry</li> <li>6:35 III. Organic and Biomolecular Chemistry</li> <li>6:45 IV. Polymer</li> <li>6:55 V. Analytical Chemistry</li> <li>7:05 VI. Chemistry and the Environment</li> <li>7:15 VII. Chemistry and Human Health</li> <li>7:25 VIII. Chemical Nomenclature and Structure Representation</li> </ul>	
17:35	Adjourn	
19:30	COCI family dinner, time approximate, location TBA	
Sunday	y 27 March	
Program and Project Reports		
9:00	10a. NAO/CA Program Objective: Report on the European Regional Workshop, Marl, 25 April 2008 Action Item 11	
10:00	10b. NAO/CA Program, continued  Objective: Report of task group recommendations on the Company Associates Program  Action Items 12, 13, 14	
11:00	BREAK	
11:30	11. Health, Safety and Environment Program  Objective: Progress and plans on the Safety Training Program, STP Workshop in Turin, and the Asian Chemical Congress Workshop on Chemical Safety and Security; new initiatives for growth of the STP.  Action Item 15	
12:00	<b>12. Any other business</b> , including site and dates for next meetings MCC	
12:15	Adjourn
