

# Employees in the Swiss chemical Industry

INSTITUT DE CHIMIE  
Université de Neuchâtel

**1998: 59'015 about 25'000 working  
in and around Basel**

**1985-1998: -10'983 (outsourcing!)**

**1990: Export: 18.4 billion SFr**

**1999: Export: 33.9 billion SFr**

# Distribution of the Employees

INSTITUT DE CHIMIE  
Université de Neuchâtel

# Origins of the Chemists from Novartis

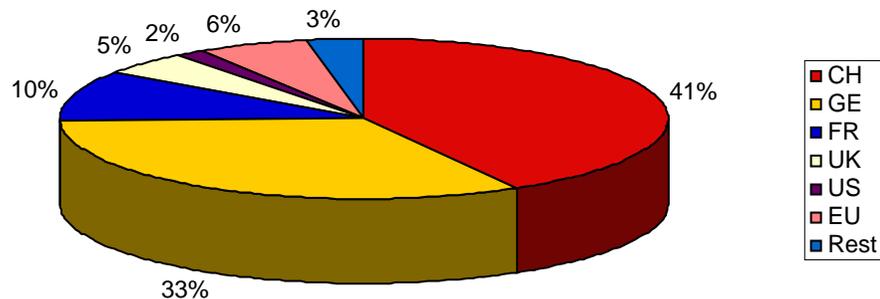

INSTITUT DE CHIMIE  
Université de Neuchâtel

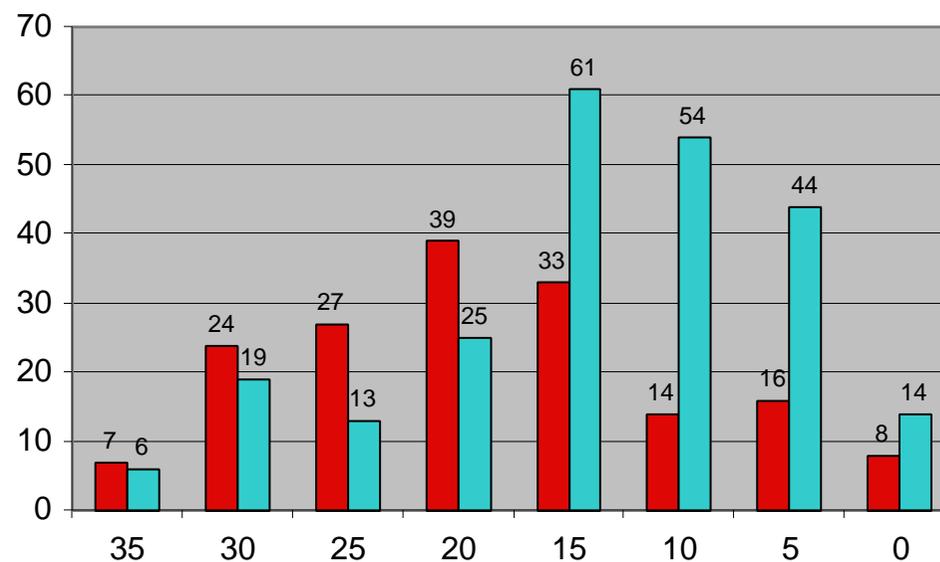

**Situation 2001**

**CH: 169 (41.7%)**

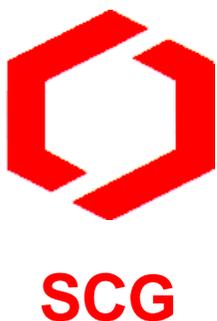

**Foreigners.: 236 (58.3%)**

Origins of chemists

Development of the distribution

# Activities of Academics with Roche

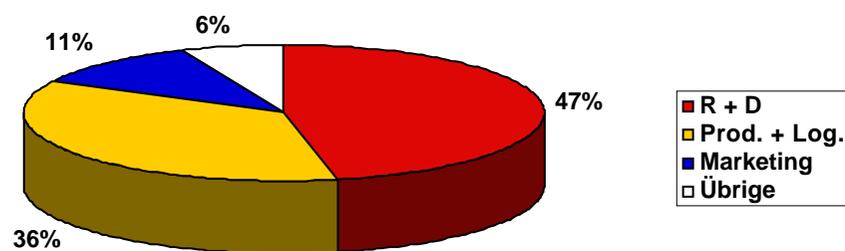

INSTITUT DE CHIMIE  
Université de Neuchâtel

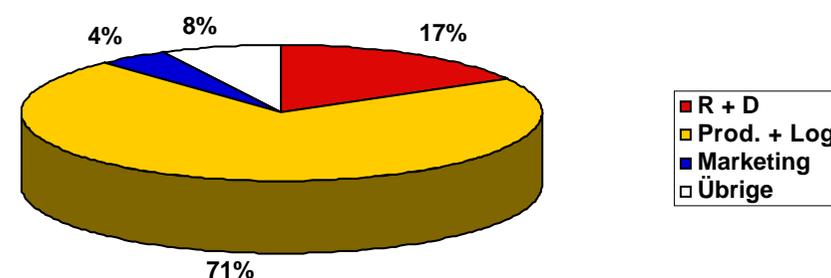

Situation 2001

Scientists: 1'471

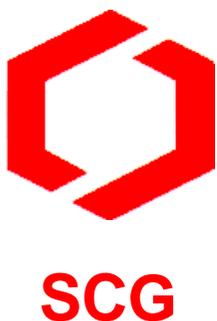

Engineers: 253

Activities of scientists

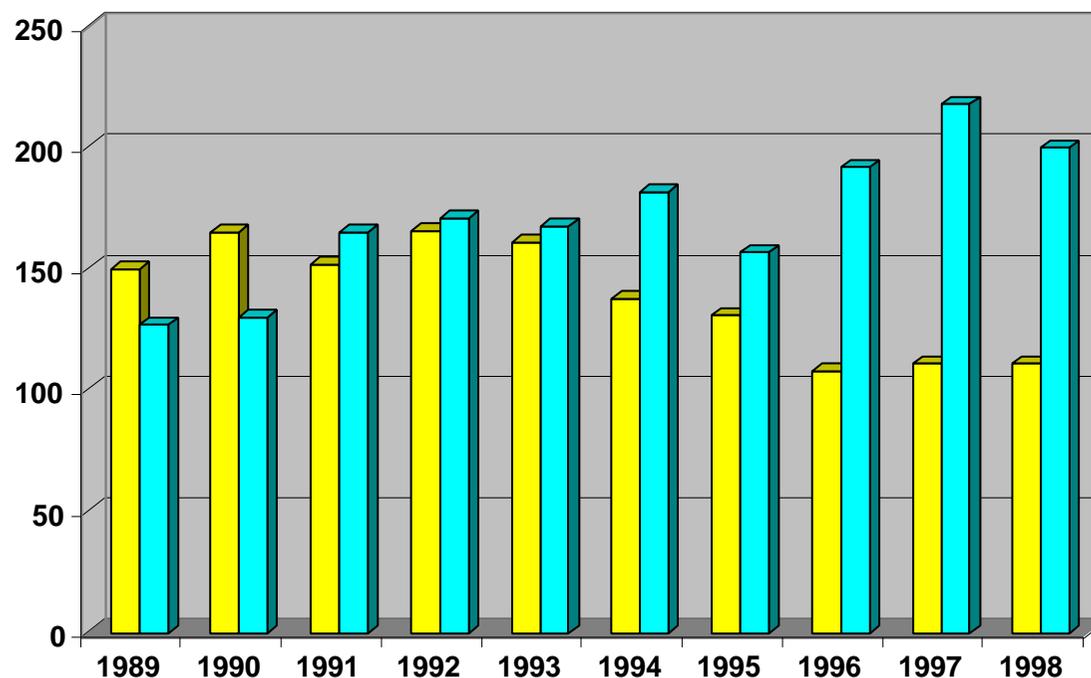

Activities of engineers

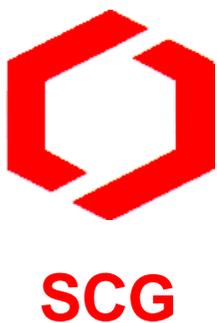

# Diploma and Ph.D. in Switzerland

INSTITUT DE CHIMIE  
Université de Neuchâtel

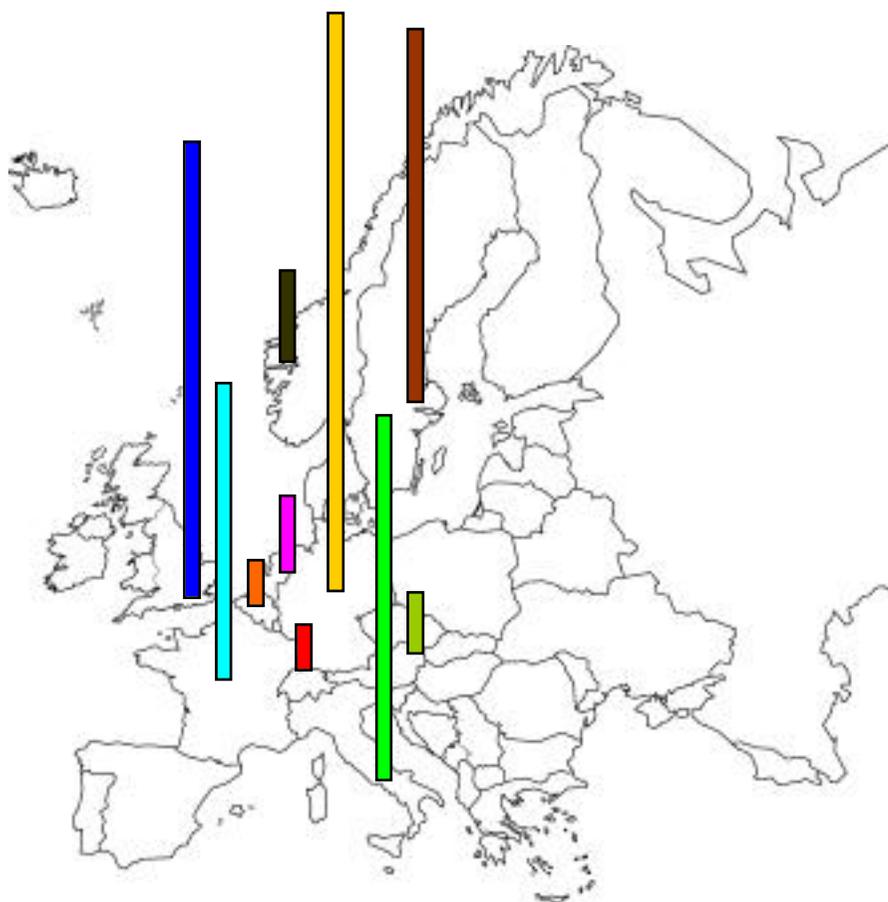

Diminution of the diploma in chemistry: **- 26% (-39)**  
Increase of the Ph.D. in chemistry : **+57% (+73)**

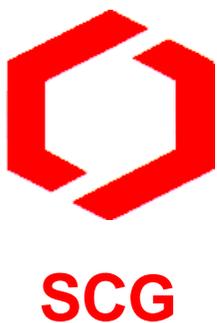

# Beginners in Chemistry in Europe
